

Communication LOG

Use this log to record the interactions with your child's other parent. There are several purposes of a communication log: Keeping a log that you share with Atticus Family Law will provide the firm with insight into the nature of these communications, the log can be used to verify that communication occurred, and, finally, keeping a communication log facilitates co-parenting.

Date	Means of Communication (Email, Phone, Text)?	Topics	Notes (Positive, Negative, other?)
